

# 40 Years of Limitless Innovation

Known for our legal expertise in corporate commercial, project development, financing, banking, as well as litigation matters, we are proud to celebrate our 40th anniversary this year. We thrive by providing commercially sound and practicable advice, adapting to maintain a forward-thinking mindset, and have a strong mentorship program for our future lawyers. Find out more details of how we made it again as one of Indonesia's top law firms by reading [this article](#) as published by [Hukumonline.com](#).
