Heru Mardijarto Spoke at DNA Webinar on Data Protection Law in ASEAN

The Data Protection Law has attracted a lot of attention as its importance and relevance have grown significantly for many organizations in various industries.

On Friday, 18 February 2022, our Partner, [Heru Mardijarto](#), spoke at a webinar along with other Data Protection Law practitioners from market-leading firms under the Drew Network Asia (DNA) umbrella.

The webinar focused on developments and upcoming changes to data protection laws in the ASEAN region, with a focus on Singapore, Indonesia, Malaysia and the Philippines. It also looked at key commonalities and differences across ASEAN and the prospects for 2022. The webinar was held exclusively for DNA clients and was attended by more than 200 participants from all over the world.
