

International Bar Association (IBA) Webinar "Tax Trends in Asia: Regional Tax Updates and Perspectives on Global Developments"

Our Partner, [Rahayu Ningsih Hoed](#), recently spoke at the International Bar Association (IBA) webinar titled "Tax Trends in Asia: Regional Tax Updates and Perspectives on Global Developments" on 16 May 2023. The webinar covered global and local tax changes and their impact on businesses and investments in Asia.

Her presence at this important event, alongside other prominent panelists representing various regions, gave valuable insights and updates on tax law. This reflects our efforts to remain at the forefront of legal industry trends and changes, as well as our commitment to contribute to meaningful discussions. We strongly believe in staying informed and sharing our knowledge for the benefit of the entire legal community.
