

M&T Partners Named in Asia Business Law Journal's A-List Lawyers

Now on its second year of publication, the Asia Business Law Journal once again names three of Makarim & Taira S.'s partners as A-list lawyers in Indonesia.

This list is based on extensive research and nominations received by Asia Business Law Journal from thousands of in-house counsel in Indonesia and around the world, as well as partners at international law firms. Three of our partners -- [Lia Alizia](#), [Rahayu Ningsih Hoed](#), and [Vincent Ariesta Lie](#) – were among the lawyers in Indonesia included in this prestigious top 100 list.

Congratulations to all A-listers!
