Makarim & Taira S. Celebrates Indonesia's 78th Independence Day

To commemorate Indonesia's 78th Independence Day, the Makarim & Taira S. team gathered to celebrate and honor the memory of the nation's founders. Much like the diverse cultural tapestry of Indonesia, our day was a mix of fun and reflection.

The big highlight of this year's festivities was our Futsal competition, which reflected the teamwork and spirit that define our firm. Congratulations to the Red team for coming out victorious in both the men's and women's divisions. We also had great fun playing several traditional games, such as the Bowlegged Balloon Race, Marble and Spoon Race, and Flag Bottle Race.

Through this joyous event, we were reminded of the importance of our independence. Here's to many more years of working together and growing stronger.
