# **Maria Sagrado participating as a Panelist in the Indonesian Game Developer Exchange (IGDX)**

We would like to send our gratitude to the Ministry of Communication and Information Technology (MOCI) and the Indonesian Game Association (AGI) for their kind invitation to have our Partner, [maria sagrado](#), share her insights at the Indonesian Game Developer Exchange (IGDX) 2022 on 15-16 October 2022 in a panel discussion on “Game Regulations in Indonesia: Private ESOs and Web3.”

The panel discussion was moderated by Adam Ardisasmita from the AGI and joined by Denden Imadudin from the MOCI, Maria Sagrado from M&T, and Asih Karnengsih from the Indonesian Blockchain Association (ABI) as panelists.
