

New KPPU Regulation on Merger Filings - Simplification Yet Some Clarity is Needed

The Indonesian Business Competition Supervision Commission (*Komisi Pengawas Persaingan Usaha* – “KPPU”) recently introduced a new regulation on merger filings, KPPU Regulation No. 3 of 2019 on Assessments of Mergers or Consolidations of Business Entities or Acquisitions of Shares in Companies which might Result in Monopolistic Practices and/or Unfair Business Competition (“**New Regulation**”). This regulation replaces the KPPU’s previous regulations on merger filings (“**Previous Regulations**”) including amongst others KPPU Regulation No. 2 of 2013.
