

Our Partners have been named among the Top 50 Future Legal Leaders 2023 in Indonesia by the Asia Business Law Journal

We're excited to share that our Partners, [Norma Mutalib](#), [Stephanie Kandou](#) and [Frederick Simandjuntak](#), have been named among the Top 50 Future Legal Leaders in Indonesia by the [Asia Business Law Journal](#). A big congratulations to them on this well-deserved achievement! This prestigious award is a testament to their hard work and points to even greater achievements to come in their careers.

The Future Legal Leaders list is the result of extensive research by the editors at the Asia Business Law Journal. Thousands of in-house counsels from Indonesia and around the world, as well as partners at international law firms with a focus on Indonesia, were invited to nominate outstanding Indonesian lawyers across various categories, including those poised to become future leaders in the legal profession.

We want to say a big thank you to all our clients. We're proud of what we've achieved and grateful for the recognition.
