

Makarim & Taira S. Ranked in Asialaw Profiles 2022

“Quality is never an accident. It is always the result of intelligent effort.” – John Ruskin.

Makarim & Taira S. has once again been ranked as Outstanding and Highly Recommended in the Asialaw Profiles 2022 for numerous practice areas. Asialaw Profiles is the definitive guide to Asia's leading law firms and lawyers, which covers various industrial sectors and practice areas.

This year, the firm is ranked as Outstanding in Energy, Infrastructure, Labour and Employment and Highly Recommended in Banking & Finance, Real Estate, Technology & Telecommunications, Competition/Antitrust, Construction, Corporate and M&A, Dispute Resolution, and Restructuring & Insolvency.

Our Managing Partner, Lia Alizia, and our Partners, Rahayu Ningsih Hoed and Vincent Ariesta Lie are also recognized again as Distinguished and Elite Practitioners in their respective practice areas.

The rankings are based on three key criteria: work evidence, client feedback and peer feedback, all which reflect each law firm's strengths. Therefore, we would like to dedicate these achievements to our clients, peers, and the extraordinary teams in the firm, who have made them possible. Thank you!
