PBCI x Makarim & Taira S. Business Briefing Seminar

On August 8, 2024, we were honored to host the "PBCI x Makarim & Taira S. Business Briefing Seminar" in our office. More than 50 participants joined us for an insightful discussion. Our speakers, [Lia Alizia](#) (Partner) and [Hendrik Alfian Pasaribu](#) (Senior Associate) from Makarim & Taira S., alongside [Jeremiah Reyes](#) from the Philippines Trade Attaché DTI/PTIC Jakarta, explored crucial topics such as Investment in Indonesia and the Philippines, the Golden/Retirement Visa, Foreign Ownership of Real Estate (Individual & Corporate), and the latest Immigration Policy Updates.

The event was a great opportunity to examine these key business issues and strengthen connections within our community. Thank you to everyone who participated and made this event such a success.
